Our Candidate is DEMOCRACY

We will be on the ground in all 50 states, convening civic, business, government, and academic leaders working to protect our democracy.

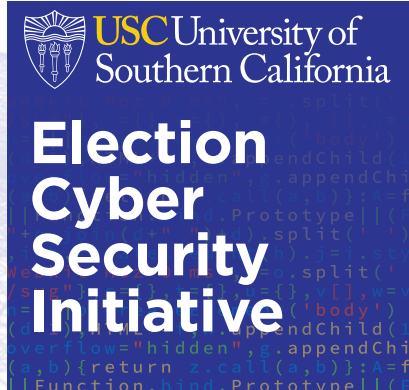

We're coming to Maryland Tuesday, January 28th

Where: **dreamport** | 7000 Columbia Gateway | Columbia, MD 21046

Tentative Schedule

- 8:30 am Doors Open, Continental Breakfast Served
- 9:30 am Opening Remarks
- 10:00 am Cyber Safety & Security Module
- 12:00 pm Lunch
- 1:00 pm Disinformation & Misinformation Module
- 2:00 pm Crisis Communication Module
- 3:15 pm Thought Leadership Panel

USC's Election Cybersecurity Initiative is a non-partisan program, supported by Google, designed to help educate people in campaigns and elections on best practices in election and cybersecurity.

Our program will include a breakout training session for IT and computer science specialists
